## Company Summary

Pen Construction Group, LLC (PCG) is a fully licensed construction company specializing in both residential and commercial construction. As a NASCLA-certified firm, we bring industry-recognized credibility, capability, and compliance to every project we undertake. At PCG, we are guided by the principles of execution, innovation, and consistency. Our mission is to deliver exceptional service and high-quality results that meet—and exceed—client expectations. We offer a broad range of construction services, including: roofing, concrete work, demolition, residential, remodels, commercial renovations, natural disaster relief, and project management.

Our team is known for working diligently and efficiently, allowing us to meet challenging deadlines without compromising on quality. We pride ourselves on building strong, lasting relationships with our clients and partners—because we believe these relationships are the foundation of our success.

At PCG, we are more than builders—we are problem-solvers, collaborators, and community partners. We are here to serve, make a difference, and improve the world through the work we do every day.
